

Dear Ora and Liat,

Many thanks in appreciation for all you did for our family at this difficult time. Thank you for your sympathy and understanding. during this time of sadness you tried to help and made the best decision for us. Now we are closed with [REDACTED], she always wanted to come back to us. And she is here, memory about my wonderful aunt will be in our hearts for long-long time. she has four grand-kids, they love her and will never forget.

[REDACTED] had the ceremony in Memorial Home in Jewish traditions, she had a good Rabbi, he spoke about her nicely with big respect, said all necessary prayers. After Memorial Home he continued at Cemetery. His speech and prayers were very emotional- we cried. The burial took place in a morning, on Sunday, after long way our beloved aunt found the right place. We always will visit her and take care of her grave.

Ora and Liat and everybody, who helped us -thank you again, thank you to be nice and good people.

[REDACTED] family.
